

EXECUTIVE SUMMARY OF NEW CONTRIBUTIONS FROM DOCTORA DISSERTATION

1. Thesis Title: Leadership of Provincial Party Committees in the Mekong Delta in Building Standard Political Schools Today.
2. Major/Specialization: Party Building and State Governance
3. Code: 9.31.02.02
4. Doctoral Candidate: Nguyen Phu Nhan
5. Supervisors: Assoc. Prof. Dr. Dinh Ngoc Giang; Dr. Do Minh Tuan
6. Training Institution: Academy of Journalism and Communication
7. New Contributions of the Dissertation:

7.1. Theoretical Contributions: The dissertation makes the following new scientific contributions:

Firstly, regarding the concept of provincial Party Committees' leadership in building standard political schools in the Mekong Delta: This refers to the totality of activities undertaken by provincial Party Committees and their Standing Boards in defining objectives, orientations, tasks, and solutions for building standard political schools; concretizing, organizing the implementation, and inspecting and supervising the entire process. The ultimate aim is to ensure that provincial political schools meet the standard criteria as stipulated by the Secretariat of the Party Central Committee.

Secondly, regarding the content of leadership in building standard political schools by provincial Party Committees in the Mekong Delta, which includes: Leading the identification of objectives, orientations, tasks, and solutions for building standard political schools; Leading the development and implementation of content and training programs for cadres, civil servants, and public employees; Leading the establishment of the organizational structure and the team of cadres and public employees within political schools; Leading the same-level government to implement policies, tasks, and solutions for building standard political schools; Leading coordination activities among advisory and assisting agencies of the provincial Party Committee, departments, sectors, and the provincial political school in building standard political schools; Leading preliminary and final reviews of leadership work in building standard political schools.

7.2. Practical Contributions: The dissertation contributes a new practical lesson in leading the building of standard political schools by provincial Party

Committees in the Mekong Delta since 2021. This involves emphasizing the responsibility, proactiveness, and creativity of the provincial Party Committee, particularly its Standing Board, in leading the identification of objectives, tasks, and solutions for building standard political schools that align with local specific characteristics.

7.3. Proposed Solutions: The dissertation proposes two breakthrough solutions aimed at enhancing the effectiveness of provincial Party Committees' leadership in building standard political schools in the Mekong Delta until 2030: *Firstly*, strengthen leadership in perfecting the criteria groups for building standard political schools in the Mekong Delta in the new context. *Secondly*, lead the innovation of organizational-personnel work, consolidate the organizational structure, and standardize the team of leading and managing cadres of faculties and departments, as well as lecturers of political schools.
